FOR IMMEDIATE RELEASE

WACO CLASSIC AIRCRAFT CORPORATION ANNOUNCES NEW WEST COAST PARTNER

Battle Creek, Michigan, November 21, 2008, 2008 – WACO Classic Aircraft Corporation of Battle Creek, Michigan, is pleased to announce that USAERO is now a distributor in the western part of the country for the WACO YMF-5.

USAERO has offices and hangars in Colorado and California, and serves pilots and aircraft owners in those states as well as Nevada, Arizona, New Mexico and Utah. Their staff of aviation professionals include ATP jet rated and piston pilots.

WACO Classic Aircraft Corporation of Battle Creek, Michigan, is the world's only manufacturer of new FAA and EASA certified 1930's era classic biplanes and currently produces the WACO YMF-5 Super.
